

Zorro reboots with an unprecedented line of Film and TV productions

For over a Century, Zorro has entertained audiences with his powerful presence. Zorro is the instantly recognizable charismatic Latin hero who has captured the fancy of every generation since his humble beginnings on the pages of a pulp novel in 1919. For decades, young and old alike around the world have been infatuated with this brave and gallant swordsman who rights wrongs and defends the weak and oppressed. Each generation identifies with its own iteration of Zorro and the actor who portrayed him, including but not limited to: Antonio Banderas, Alain Delon, Douglas Fairbanks, George Hamilton, Anthony Hopkins, Tyrone Power or Guy Williams.

The Track Record:

10 Major US-Motion Pictures, 75 International Film Productions, 12 Television Series, 75 Stage Productions. Thousands of Publications & Licensed Products, advertising, sponsorships and packaged goods, including private label, and promotions, are supported by Zorro Productions' on-going entertainment projects which include videogames, publishing, stage productions, film and television.

Internationally recognized author **Isabel Allende** crafted the classic story of how the young Diego de la Vega became Zorro in Zorro: Now over 15 years in publication, the Novel has been translated into more than 32 languages and remains popular worldwide

Zorro's name is synonymous with his mask, his sword, his whip, and his powerful motto : "Justice for All !".

Action:

Zorro's power is not in overpowering. He outwits his adversaries with agility and athleticism, cleverness and expert use of his rapier's blade.

Romance:

A classic romantic figure -- dark, mysterious, handsome, strong, yet tender and compassionate.

Heroism:

He defends the oppressed and rescues those in need -- but asks only for justice.

Humor: Zorro toys with his enemies, teasing and cajoling with his sword, whip & wit

Zorro inspired Bob Kane & Bill Finger in their creation of Batman.

Zorro is the only character intertwined with the Origin Story of Batman.

Zorro is established as Batman 'Canon', appearing in over three dozen times in Comics, Film, TV/DVD Animation and even Theme Park Attractions. Recently, Zorro has appeared in Batman vs. Superman (2016), Gotham (2018), Joker (2019), Batman: Curse of the White Knight #7 (2020) and Batman #95-97: Joker War Part 1-3 (2020)

5 New Feature Films

Sony develops five new feature films (2 animation -one for Netflix-, 1 live action, 1 hybrid live action/animation) plus a graphic novel based on the Django/Zorro comic books written by Quentin Tarantino.

4 New TV-Series

- CW/CBS TV-live action series by famed filmmaker Robert Rodriguez (Kill Bill, Predators, Spy Kids etc.). A contemporary take on the classic character with a female lead.
- Amazon launched a 10 episodes series by Secuoya Studios in January 2024
- Paramount+ launched a French series starting Jean DuJardin (The Artist, OSS 117, the Wolf of Wall Street, etc)
- CBS Production and Propagate are developing a modern-day female-led new Zorro TV series from Director Robert Rodriguez and his sister Rebecca

The Musical

The Olivier award-winning Zorro: The Musical premiered on London's West End at The Garrick Theatre with an original score by the world renowned The Gipsy Kings. A huge success, it was nominated for five Olivier Awards, winning best actress.
